RESEARCHING YOUR GOLDFIELDS ANCESTORS WITH SPECIAL REFERENCE TO THE HILL END & TAMBAROORA DISTRICT

SATURDAY 14 AUGUST 2021

PRESENTED BY

LORRAINE PURCELL

CONVENER OF THE HILL END & TAMBAROORA
GATHERING GROUP

Grab a glimpse into the lives of our goldfield ancestors and be directed to a variety of unusual resources to find out more about their everyday existence.

Lorraine's experience, after 40 years as a librarian, has been gained by researching and sharing all aspects of family and local history around Hill End & Tambaroora, for more than 20 years. In those heady days miners regularly moved from one field to another, so some areas of research have been expanded to encompass these outlying villages as well.
