BEYOND THE TREE EXHIBITION

LIVERPOOL GENEALOGY SOCIETY INC.

As previously advised, Liverpool Genealogy Society Inc. is currently holding our FREE “Beyond the Tree exhibition in partnership with Liverpool Regional Museum & Family History Centre. We are promoting Family History through the curated stories and memorabilia of our members.

Our Major Open Day is on 27th July with the Programme being:

10.30am – 11.30/45am – Speaker – Jason Reeve from Ancestry.com (With Q&A time allowed)

12 noon – FREE - BBQ Luncheon -

1:30PM - 2:30/45PM - Speaker - Linda Emery, former researcher for SBS (with time for Q&A).

Lucky door prizes have been donated by Ancestry and other companies.

Our aim is for visitors to take away a thirst to learn more about their own family history; and to go away full of enthusiasm to tell their family, friends, and neighbours that ...

*“Family History is not just about names and dates,
it’s about the interesting lives of our Forebears”*

CALL OUT: Members of the public are invited to bring along photographs of your own special family moments to add to the exhibition. It may be of your Great Grand-parents Wedding; Holiday Snaps; or a photo snapped in the streets of Sydney etc.
